a ministry on the move

How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching? (Rom 10:14)

## I SAY AGAIN: REJOICE! by Bill Powell

Another Sharathon has passed and I must admit it was a good one. We had a lot of fun and it was so enjoyable spending time with you and all of our guests. To everyone who provided food for the volunteers, YUM YUM! It was the best ever. To each and every one of you who donated your hard earned money, thank you. To those who gave of your time and talent, thank you. Your financial gifts ensure we will be here for another year.

It is those who have given in the past who have gotten us to where we are today, but those current gifts allow us to move forward. We live in a time like no other in our country's history. The need for us to be here with the teaching of God's Word has never been more needed. Woe to a nation that has turned its back on God. You either live by the will of God, or you're led by your carnal nature. It is apparent this nation has chosen to live by its sinful nature.

Let us all pray our nation will come to the end of itself and turn to Christ. It is imperative The Cornerstone will be here for all who desire to know the Lord. Our station motto is Romans 10:14: *How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching? That is what we have been called to do and I include you as part of the we.*

The question of the day is how did we do? The first three days were not what we had hoped for, but Friday was a day of miracles. Willing to be thankful for what was given the first three days, we prayed Friday morning over a match we had been given late the night before. At that point, it was reminiscent of the parable of the fishes and the loaves. The matches began to come and the day ended as the best single day of Sharathon we ever had. It was truly an extraordinary day. That being said, we were still far short of our goal. We ended with \$112,368; \$37,800 short of our goal. If you haven't had a chance to give, we encourage you to do so. I have no doubt the Lord will provide what we were short. He always has.

*But rejoice, inasmuch as ye are partakers of Christ's sufferings, that when His glory shall appear, ye may be glad and rejoice.* 1Peter 4:13 (the Geneva Bible)

Do pray for us as we pray for you.

## PRAYER CORNER

Pray that the Lord will pour out His Spirit on this nation and bring change, renewal, and salvation. Pray for leaders that will allow us "to live peaceful and godly lives in Christ Jesus."
