## Remaining Steadfast by Bill Powell

**S**eptember is a month that is significant for all of us. Though hurricane season starts in June, we all know September is the month that a hurricane is

most likely to occur. At the time of this writing, which is the end of August, we can praise God for sparing us so far this season. I don't want to be presumptuous, so please pray we come out of this season unscathed. Something else significant this season is that school is back in session.

We have noticed from years of experience that church ministries generally become quite active this time of year. We have always enjoyed having a part in promoting the local evangelical churches' functions. Remember to try and give us two weeks' notice and that will allow your announcement time to be heard.

One other significant thing should happen in September, and that is The Cornerstone's 101.3 in St. Augustine should go on the air, barring anything unforeseen. We are waiting for the equipment to arrive. The tower crew to install it has been hired, and we are soon to set a date. This whole process started back in 2003. I look forward to telling you how the Lord has blessed and intervened to make this all possible. It is quite a story.

Last but not least in September - actually September 16, 17, 18th - we will be having our fall fundraiser. Gone are the days we can raise our operating budget with just a Spring Sharathon. We work hard to keep our costs down and take advantage of every time- and

work-saving method we can. However, the electric must be paid, the facilities must be maintained, and our small staff have families, and that requires money. We will take these three days to ask our listeners to step up and help us raise \$50,000 so that we can continue to remain steadfast proclaiming the Gospel of Jesus Christ. If you have already given - thank you. Because of you we are here today, but it is imperative we be here tomorrow.

We have thousands of listeners, yet only a few hundred give financially. We need to hear from everyone. If you have never given, please know we will not bombard you with mailings and requests. It is our desire to do the Lord's work. We are not a fundraising organization. I do realize there are so many things vying for your money, but you are our primary source of income. Our time is spent doing the Lord's work instead of constantly asking for financial help and doing fund raising projects. Maintaining the facilities and bringing you the best teaching programs and a true Christian worldview is what your gifts allow us to spend our time doing.

We hope you need us, and the Lord knows this community needs us. Please give us a call during these three days and show your support. Help us spread the love of God to all who have ears to hear.

*Revelation 1:3 Blessed is the one who reads aloud the words of this prophecy, and blessed are those who hear, and who keep what is written in it, for the time is near.*

## Prayer Corner

Please join us each week for prayer at our studios at 4295 Ridgewood Ave., Port Orange.

**Thursdays @ 9:00 am**

Join us as we seek the Lord for the financial needs to keep The Cornerstone strong. Plans are in full swing for our Fall Fundraiser, but our efforts are futile if the Lord does not provide. "Unless the LORD build the house, they labor in vain that build it..." Ps 127:1  
*Pray God will be pleased to continue to build this house.*

## Prayer Corner, Continued by Donna Bramlett

I just wrote the little Prayer Corner insert for this newsletter, and I couldn't fit enough into that little box. The deep need for prayer cannot

be overstated - for our Fall Fundraiser and for every other issue we face. We had prayer recently, as we do every Thursday, and as it happened there were just two of us there. Our other prayer warriors were traveling or called away on important matters, but let me tell you, Peggy and I did some praying. We each had issues on our hearts, plus requests that had come across my desk, and the Lord met us there. (If you call us with a prayer request, I promise it will not be ignored!)

Jesus ever lives to intercede for us! While here in human frailty, He prayed. We get that - we

are frail, too. But He didn't stop when He rose from this dirty world and was clothed in His glory. He keeps right on praying with us and for us, and where two or more of us gather, He joins in. This is such a comfort to me, and I hope it is for you, too!

We approach another very essential fundraiser, and it is tempting to be fearful and anxious, but Christ is Lord here at The Cornerstone, and I know He will accomplish His full purpose through us all for this community. Please join your prayers to ours. Let us know you are praying and we can build up one another's faith.

*Let us hold fast the confession of our hope without wavering, for he who promised is faithful. And let us consider how to stir up one another to love and good works... (Heb 10:23-24)*

## **Overflowing with Gratitude by Chris Johnson**

**P**salm 118:1 says, “O give thanks unto the Lord; for he is good: because his mercy endureth for ever.” Have you ever known the joy of giving thanks? Of course that’s a rhetorical question because I’m sure you have. I pose the question because it encourages us to pause and think about the last time we gave thanks and what that looked like. Personally, my thanksgiving is often found expressed in verbal praise and adoration. I’m sure you can attest to those moments where you’re so overwhelmed with the goodness of God that you overflow with exaltation of God, and blessings and honor flow freely from your heart. Aren’t those moments delightful and enriching? How rewarding and gratifying when we turn our attention to our Master and King and bestow the praise due his name! How marvelous when we are captured by his greatness!

At Cornerstone our fervent prayer is that this ministry continues to guide every listener into a greater and deeper understanding of the Lord Jesus Christ! Through the music and teaching programs, we trust the Lord has worked in your life and that while you listen you

break out in joy-filled thanksgiving and praise for who he is, what he has done, and what he is doing. In a world filled with hopelessness and despair we’re humbled by the responsibility to herald the life changing message of the gospel, and we remain steadfast in our ministry efforts no matter the cultural winds that have shifted in an opposing direction. However, we can’t do this work alone and are asking that you consider helping us raise \$50,000 during our Fall Fundraiser, September 16-18. These dollars make it possible to broadcast Christ-centered programming throughout Volusia, Flagler and St. Johns counties. Every dollar matters and every one given is a direct expression of thanksgiving from the hearts of our listeners. If you can partner with us via a onetime gift or a monthly donation we would be eternally grateful! We labor as missionaries in a community that is in desperate need of the message of Christ, and as thousands around our area turn their radios on each day it is our desire that they tune into The Cornerstone! Your financial partnership can make that a reality. Won’t you help us by going to our website at [www.wjlu.org](http://www.wjlu.org) and making your pledge today, or by calling 386-756-9094 during our Fall Fundraiser September 16-18!
